RoadoR Saves Fleets Money! Superior Ease of Operation

*Anthony Johnson, Driver, has been with
Cloverland Green Spring Dairy since 1978.
“The RoadoR is the first tough lightweight door
system that I have worked with. I appreciate
both the ease of use and lack of stress on the
arm’s muscular system when pulling it down.
This is a huge improvement over what we have
used in the past”*

*“The feedback from our drivers has been 99%
overwhelmingly in favor of the RoadoR roll up
doors”, Al Shewbridge, Distribution Manager,
Cloverland Green Spring Dairy, Baltimore MD*
